

# GREATER MANCHESTER BEREAVEMENT SERVICE

If you're bereaved or have been affected by a death, Greater Manchester Bereavement Service is here to listen and help find the right support for you.

You do not need to deal with your grief alone.

The service is also for professionals and those seeking advice for others.

“ My bereavement practitioner was an absolute lifesaver, touching base every week until I could get counselling, and checking up on me after it started to make sure I was ok.

Having an outlet to start to talk about things was essential. ”
